

## Giant Rail Waves

**Quilt Size:** 49" x 66"

**Experience Levels:** strong beginner to advanced

### **Class Description:**

You'll never look at curves the same way once you make this quilt, ESPECIALLY IF YOU HAT CURVES! Come along and enjoy the ride (you might even be smiling), learn techniques that'll put your mind at ease, as you'll be guaranteed to be a fearless curvaceous quilter! Not only will you master long gentle curves, you'll leave class with a stack of completed blocks! This is such a fun quilt to make and once you know the formula, you'll find it's a breeze to make table runners, small quilts, large quilts...

### **Supply List:**

**Fabric Tips:** I chose a mix of busy prints that I could separate into lights and darks. Medium to small prints work best. Choose a theme of colors that you like and go for it.

**PATTERN:** Giant Rail Waves by Karla Alexander

1 fat quarter or 17" x 21" rectangle of 6 different dark prints

1 fat quarter or 17" x 21" rectangle of 6 different light to medium prints

3/8 yard black fabric for sashing (or color of your choice)

5/8 yard fabric for binding

3 1/4 yards fabric for backing

**Optional:** Specialty Ruler, CGRKA5, Split Seconds Ruler

Basic Sewing supplies and thread to blend with project

Basic rotary cutting supplies

Sewing machine
