### Suggested Book:

Stack The Deck Revisited! By Karla Alexander

Finished Size: 53" x 75"

Finished Block size: 8" x 8"

Block cut size: 10" x 10"

Yes – this quilt stretches tradition a bit – but not as much as you might imagine! I'll lead you through the creation of your blocks and you can determine the final layout, but beware – the possibilities are endless! This is a quilt that is defined by light and dark – so you get to choose your color way and that's when the fun begins. It's on the scrappy side so check out the supply list, then check out your stash. So long as you like your color choices, even if you only have one square of a particular print – you can toss it into the mix! Please pre-cut your squares prior to class so we can begin cutting and sewing immediately!
